GM. I took Advil so it takes the edge off. Couldn't sleep. Been awake for hours. How are you? How is your mom doing? So sorry for all the heartache and stress she's going through.

7/14/20 8:07:41 AM EDT

I am so sorry you were up. Is it because of your pain? I thought Mom would sleep by me, but the last minute she changed her mind. She calmed down a bit BH regarding my brother. She said she knows his price tag and no matter what I say, she will do what she wants. Thank you. I hope the pain goes away quickly and you have A Rafua Shleima!!! But usually I takes at I asleep a week to get better. If I were you at this point would use a heating pad, too late for ice. 🥰

How are you? How's your mom and kids? How is Josh adjusting to his new home?

Please send this message to Mike:

Dear Mike,

The world has known about tzadikim that are taught in schools.

But, then there is the unsung tzadik, who piously, humbly and quietly helps those who society views as an easy target to hurt.

Mike, you are a great tzadik of the highest stature. When Hashem brought Nadia into my life, I felt like luck was finally on my side. But, as things connect and come into a circle, as in the circle of life - you came in to fight and defend me.

You cannot imagine the tremendous ongoing terror "that monster" has been inflicting on me. You are the Refuah that will hopefully stop his terror.

May Hashem reward you tenfold with all that your heart desires, and may all your dreams and wishes come true for you -Always.

Baila

8/21/20 1:19:37 PM EDT

Thank you Nadia.

Please tell her that she over-exaggerates everything about me, and that I'm a bum who deserves no thanks. And it's the least I can do for her and for you.

8/21/20 1:21:08 PM EDT

He is really so humble !!

A mensch of epic proportions!!!

When I thank him. He always says that's the least I can do for you!!!

Amen 🙏 He's doing this for years and uses his money to pay rabbis to say nice things about him so that he gets new victims!

8/26/20 8:30:28 AM EDT

Aren't the Rabbis wonderful???

8/26/20 8:33:49 AM EDT

Baila Sebrow (+15168495863)

I spoke to his rabbi when he was harassing me. His rabbi admitted that women complained to him that he drugged and raped him. So I said why are you then defending him and saying what a great guy he is? He responded "so why don't the women go to the police?"
What an idiot!
I then said, "you know that a Frum woman would never go to the police and have everyone know she had sex"
His rabbi has a special place in hell reserved for him.

8/26/20 8:36:41 AM EDT

Amen!!! Rabbi's today are businessmen

8/26/20 6:58:12 PM EDT
